

DANIELSON AND PUTNAM NEWS

DANIELSON

Borough Stores and Tenements Well Occupied—Thomas P. Ward, elected K. of C. Delegate—No May Day Parade for Thirteenth Company—Busy at Williamsville.

Principal Hal R. Eaton of the Attleboro High school and Mrs. Eaton are guests of Mr. and Mrs. C. C. Young of Reynolds street. Principal Eaton is nearly restored to his normal condition after undergoing a serious operation.

Mr. and Mrs. Everett Winslow have returned to Pensacola, Fla., after a visit with relatives in town.

William Young and Louis Young have returned from a few days' stay at Oakland beach.

Henry A. Darlington of Providence was a visitor with friends in Danielson Monday.

Miss Mariette Healey has gone to Hartford as stenographer in the office of an insurance company.

Henry McDermott of Woonsocket spent Sunday at his home in Danielson.

Thursday of this week is the last day for registering dogs without being liable for an extra assessment.

Representative Armington's Bill.

Representative A. H. Armington's bill providing for the revision of the general statutes of Connecticut will probably be reported to the house this week.

New Irrigation Plant.

At the Ison farm on Day street an irrigation plant is being installed. Water for the system is to be pumped from the Quinebaug river, to which a pipe line is being built.

Mr. and Mrs. C. A. Young, who have been spending the winter at their southern home, New Smyrna, Fla., returned to Danielson Monday.

Every Tenement Occupied.

Every tenement in the village of the Danielson Cotton company on Water street and that vicinity is now occupied and more homes are needed for those who find employment at the big plant.

Transformers for installation along the route of the underground telephone line of the A. T. and T. company have arrived in Danielson and have been distributed.

At the meeting of Killingly grange Monday evening members of Brooklyn grange were present and contributed to

the entertainment during the lecturer's hour.

Danielson people read with interest of Sunday baseball games played in Waterbury, New Haven and Bridgeport, cities in Connecticut. This fact is made particular note of here by persons who want a more liberal Sunday law, and by some others who do not.

If the general assembly passes the bill carrying an appropriation for the much needed repairs to the state armory here, a cement floor may be laid in the drill shed. The present floor is in very poor condition.

Active at Eighty.

Prof. S. P. Davis of Furnace street will reach his eightieth birthday anniversary Monday of next week. He is one of the most active men of his years in this vicinity and says that he enjoys life as thoroughly as when he was a boy.

William Marland of this place is to be retained by Manager Jesse Burdett of the Worcester, New England league, team and will pitch in regular turn during the season that is to open this week.

Search has been made here by Rhode Island officers for three young fellows who recently escaped from the state prison at Cranston. The trio, reported to be in this section, have not been located, however.

K. of C. Delegate Chosen.

At the monthly meeting of Rose of Lima council, K. of C., held Sunday, Grand Knight Thomas P. Ward was elected a delegate to the state convention to be held at Danbury, May 12. The national convention of the order is to be held in Boston in August this year, the first time in an eastern city for several years and a large number of members will attend from eastern Connecticut towns.

New Lighting a Success.

More lights will probably be removed to make place for the new type of incandescent street light that has been adopted for Danielson. The new system has proved so satisfactory in giving a better distribution of light that the borough officials will take up the matter of making further changes. At the same cost to the borough, more of the incandescents can be had than arcs.

No May Day Parade.

There will be no May day parade for the members of the Thirteenth company, C. A. C., this year. This is due to revision of the regulations governing small arms practice. Under the new arrangement it is necessary for the members of the company to do preliminary work under the supervision of the company officers, the shooting for qualification score being made toward the close of the shooting season and at a time when an inspector of small arms practice is present. Therefore, the annual field day will not come this year until September or October.

On account of the rain of Monday, few persons did anything toward the object of clean-up week. An expression of favor of the movement is heard though that indicates some good results in prospect. An effort will be made to interest the school children in the work.

Stores in Good Demand.

With two exceptions, all of the business places available in the main street section of the town are now occupied or rented and will be occupied soon. This is in direct contrast to conditions here three years ago. At that time stores were vacant in numbers. A Williamsville company has leased a store in the Keystone block the last one vacant in that building.

EIGHTY ALREADY EMPLOYED.

Eighty people are now employed in and about the plant and property of the Killingly Manufacturing company at Williamsville. The machinery for the plant has been delivered and two carloads of materials have been received. Next week the looms and dressing machinery will commence to work. Superintendent Boys said Monday that the equipment work is being rushed to the limit that the plans for being in operation June 1 can be put into effect. There is every indication that the manufacturing will commence at that time.

The houses in the village are being painted, both inside and outside.

PUTNAM

Weavers Coming to Waterman Plant—Nado-Bellrose Wedding—Fair Grounds Grandstand to Be Used for Tatem Factory—Holy Name Committee to Meet for Conference.

Attorney Andrew J. Bowen of Williamsville was a visitor in Putnam on Monday.

Miss Jennie C. Richmond of Worcester was a visitor with friends in Putnam Monday.

There is to be a short calendar session of the superior court at Williamsville on Friday.

Mrs. Frank H. Cordier of Church street has been spending a few days with relatives in Thompsonville.

Mrs. Arthur Loomis and Mrs. A. L. Mansfield were recent visitors at the Odd Fellows' home at Fairview.

George P. Potter of Providence was a visitor with friends in Putnam Monday.

N. F. A. Game May 7th.

Norwich Free Academy baseball team will play a return game with the Putnam High school team in this city May 7.

Miss Isabelle Byrne is rapidly recovering after an operation, performed at Roosevelt hospital, New York, where she is a graduate nurse.

The police here are on the lookout for a boy named McKenney, who recently broke out of the Rhode Island state reformatory. He has been seen in this city.

More Weavers Coming.

As the result of the running of the Waterman Worsteds company's mill on a day and night schedule, additional weavers are coming to Putnam.

Hammond hall, formerly the armory, is being fitted for use as a garage.

29 Members of Graduating Class.

There are 29 members in the class that will be graduated from Putnam High school in June, the same number

The "Single Damper" in

rawford Ranges

is the greatest improvement ever made in stoves. By one motion it regulates fire and oven—push the knob to "Kindle", "Bake", or "Check"—the range does the rest. Better than two or more dampers. Have you seen it? This Single Damper is patented—no other range has it

The deep Ash Hod—instead of the old clumsy ash pan—with Coal Hod beside it (patented) is easy to remove—doesn't spill ashes.

Gas ovens if desired; end [single] or elevated [double].

Knuckles Used to Crack and Bleed

Hands Chapped. Suffered Terrible Pain. Used Cuticura Soap and Ointment Five Weeks, Hands Fine.

674 Park Ave., Brooklyn, N. Y.—"My hands used to chape and bleed and they pained me very much. When I put them in water they used to burn terribly, especially in hot water. My hands looked dirty; that was because they were so chapped. The knuckles used to crack and bleed and I suffered terrible pain. I tried different remedies but they never did any good. A friend told me to try Cuticura Soap and Ointment. I got some and made a lather with the Cuticura Soap and bathed my hands, then I dried them and put the Cuticura Ointment on and put on a pair of old gloves. I was surprised to see how my hands were healed. They used to be red and rough and now they are soft as velvet. I tried the Cuticura Soap and Ointment for a week and they were fine. I have no more trouble with my hands since I always use Cuticura Soap and I can't praise it enough to all my friends." (Signed) Mrs. M. Weisman, Dec. 22, 1911.

For pimples and blackheads the following is the most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, on the end of the finger, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Soap freely for the toilet and bath, to assist in preventing inflammation, irritation and clogging of the pores. Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

See Tender-faced men should use Cuticura Soap Shaving Stick, 25c. Sample free.

SUFFERED AWFUL PAINS

For Sixteen Years. Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Moretown, Vermont.—"I was troubled with pains and irregularities for sixteen years. I was thin, weak and nervous. When I would lie down it would seem as if I was going right down out of sight into some dark hole, and the window curtains had faces that would peek out at me, and when I was out of doors it would seem as if something was going to happen. My blood was poor, my circulation was so bad I would be like a dead person at times. I had female weakness badly, my abdomen was sore and I had awful pains.

"I took Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash and they certainly did wonders for me. My troubles disappeared and I am able to work hard every day."—Mrs. W. F. Sawyer, River View Farm, Moretown, Vermont.

Another Case.
Gifford, Iowa.—"I was troubled with female weakness, also with displacement. I had very severe and steady headache, also pain in back and was very thin and tired all the time. I commenced taking Lydia E. Pinkham's Vegetable Compound and I am cured of these troubles. I cannot praise your medicine too highly."—Mrs. I. A. MILLER, Gifford, Iowa.

that is to be graduated from Killingly High school at Danielson.

Roderick Jodoin Covers Father's Territory.

Roderick Jodoin has been covering his father's territory since Raymond J. Jodoin of Sprague was injured in the railroad accident at Jewett City a few weeks ago.

WEDDING.

Nado—Bellrose.
At St. Mary's church at 6.30 o'clock Monday morning Miss Ressa Bellrose of this city and Harry L. Nado of Worcester, formerly of this city, were married by Rev. C. F. Bedard. Mr. and Mrs. Nado left on a morning train for their wedding trip.

Came from Out of Town to Wed.

Two out of town couples married here Monday. The bride Charles H. Nello of Bristol, R. I., and Elizabeth A. N. Slinger of Providence, both 24 years of age, and Rose M. Brault, 23, and Joseph Chester Farron, 23, both of Fitchburg, Mass.

Burial in Worcester.

The body of Mrs. Bridget (Quinn) Apple, 85, who died at Putnam Heights, will be taken from this city this (Tuesday) morning to Worcester, where burial will take place.

Dick Boyajin Not Dead Yet.

Dick Boyajin, who was severely injured while operating a sewing machine a few days ago, is a real come-back artist, as those who saw him in a ring battle here a few weeks ago expected that he might be. Dick refuses to make good the report that there is no hope for him and that he is going to die, that is just at present, by making rapid progress toward recovery. He is getting stronger every day and expects to be as fine and fit as ever in a short time. He is of the opinion that the reports of his impending death were greatly exaggerated.

TEARING DOWN GRANDSTAND.

Lumber to Be Used in Building for the J. B. Tatem Company.

The grandstand at the Fair Grounds is to be torn down. Work of taking apart the structure will commence this morning. The lumber is to be used in the construction of a new building for the Tatem company, whose plant was destroyed in the big fire of last Thursday morning. A great deal of the lumber in the grandstand, especially the heavy timbers, is just what will be needed in the construction of the new Tatem building, work on which will be pushed as rapidly as is possible, as the firm desires to get its plant back to normal conditions at the earliest possible moment.

The raising of the grandstand at the Fair Grounds will leave only the stables and cattle sheds as principal buildings of the set built when the fair association started to do business, and indicates that there will be no more racing there for awhile, if ever.

HOLY NAME DEMONSTRATION.

Committee to Discuss Plans with Rev. Charles F. Bedard This Evening.

At St. Mary's rectory this (Tuesday) evening members of the committee in charge of the arrangements for the big religious manifestation that is being arranged to be held in this city Sunday, June 3, under the auspices of the Holy Name societies of the country, will meet with Rev. Charles F. Bedard to discuss plans.

It has been found that a considerable sum of money will be needed to defray the expenses of entertaining the hundreds of visitors who will be the guests of the parish. Suggestions for raising a fund have been made, but aside from deciding on a parish whist party no definite plan has been worked out.

Aside from the financial considerations there are many details that require the attention of the committee, and some of these will be worked out at tonight's conference.

The French speaking members of the Holy Name society in this city have named as a sub-committee of the general committee of arrangements Isaac Chameau, Hercule Frodette and David Beausoleil to work with a sub-committee representing the English speaking people. John B. Byrne being the chairman of the latter group, the other two members to be named by him. This sub-committee of six has been assigned special work to do.

Planning Summer Half Holiday.

With the coming of the warm weather business in this city are contemplating a renewal of the half-holiday agreement that was in force during the months of July and August of last year, when many stores in the

city were closed Thursday afternoons. Some would prefer Friday afternoon as the one on which to close the stores, but the matter of selecting an afternoon will not be definitely decided until after a conference of the interested parties is held. The closing arrangement will probably be in effect immediately after the Fourth.

JEWETT CITY.

Eight Big Urns for Fanning Park Arrive—\$100 Netted from Minstrels—W. C. T. U. to Send Supplies to Flood Sufferers.

The eight stone urns which are to adorn the granite posts at the three entrances and the north and east corners of the David Hale Fanning park, have arrived and are ready for setting. They weigh 250 pounds apiece and were cut to order at Rutherford, N. J.

Minstrels Cleared \$100.

The Men's club of the Congregational church netted \$100 of the proceeds of their minstrel show the 24th.

To Aid Flood Sufferers.

The W. C. T. U. are planning to send a barrel of clothing to the flood sufferers in the west and will receive all contributions at the Baptist vestry Wednesday.

Mrs. John Stewart was in charge of the reading room at Slater library Sunday afternoon.

Dr. R. H. Lieberthal has returned from a week's stay in New York. Mrs. Lieberthal returns Wednesday.

Mrs. Job Thatcher, matron of the Windham County home, Mrs. Winthrop Ballou of Thompson, and Mrs. Thomas Brown of Oneco have been guests at Rev. and Mrs. Samuel Thatcher's.

Mr. and Mrs. James Walsh and Mr. and Mrs. John Walsh returned Saturday from New Haven, where they attended the funeral of Mrs. James Walsh's brother.

Barn Dance.

Mr. and Mrs. Olaf Nelson gave a barn dance for their daughter, Miss Agnes Inquest Friday evening at their home in Lisbon. Several young people from the borough attended.

Birthday Party.

Harold Jeffers celebrated his birthday Saturday night by giving a party to a number of friends. They enjoyed a splendid time. Refreshments of sandwiches, cake and ice cream were provided by Mrs. Jeffers. The guests brought several gifts for the host. The guests were: Beale Boardman, Al Moore, Ruth Stewart, Sadie Thompson, Irene Haver, Ethel Thompson, E. H. Hiscok, Jr., Harold Spicer, Austin Harlow, Fred Clarke, George W. A. Harlow, Miss Mary M. Brown, assisted Mrs. Jeffers in entertaining.

N. E. O. P. Lodge's Fourteenth Anniversary.

Eleazar Jewett lodge, No. 338, N. E. O. P. celebrated its fourteenth anniversary Friday night.

Good Company and Play.

At Finn's Opera house Monday night Miss Ethel May Shorey and her talented company presented One New Year's Eve to a large house, who were immensely pleased with the performance. Miss Shorey is supported by Fred S. Campbell, a fine character actor, who for two years played the title role in the Volunteer Organist. Specialties were introduced between the acts by Miss Tiny, the smallest dancer on the stage; Siocum and Stone, Steve Mack, Fred S. Campbell, Harry E. Downs, George Wentworth and others. Miss Shorey is an authoress as well as an actress, and has written the plays which she presents. She has written over fifty plays and sketches now being presented by different artists and theatrical companies, besides the ten plays which she has received for production by her own company.

To Display Tag Day Insignia.

At the time when Whatsoever circle of the King's Daughters were in charge of a Tag day in Jewett City for the benefit of the Soldiers' Memorial fund, the ladies who wore the red, white and blue ribbons, signifying their office as leader, solicitor or committee were requested to keep the badge and wear them the day the Soldiers' monument was dedicated. The time is drawing near and all those who wore the badges are expected to display them Memorial day. Miss Alice Brown had a number of ribbons left at that time, which could be used if necessary.

Middletown.—Seth H. Butler, for 45 years a member of the standing committee of the South church, has given the income of which is the general expenses of the

CLERKS AND CARRIERS WILL FURNISH SPREAD.

New London Men Will Entertain Guests from Norwich and Westerly Offices.

Saturday night of this week the clerks and carriers of the New London postoffice will entertain the clerks and carriers of the Norwich and Westerly offices at a smoker. Some sort of entertainment will be arranged and there will be a supper.

About 75 are expected to be present. Postmasters Caruthers of Norwich and Butler of Westerly are invited with their staffs. The affair is in return for the entertainment given the New London clerks and carriers at Norwich recently.

Litchfield.—The Rev. John Hutchins left New York last week for a trip to Egypt, Palestine and other countries.

GOLD DUST
makes soft water available everywhere

Every woman knows the luxury of having soft water at her command, especially for washing clothes, but Nature has denied this luxury to many, especially to those living in cities or in "hard water" countries.

However, every woman can have soft water in her home with little trouble and less expense. The sprinkling of Gold Dust washing powder in the water from your taps or well will make it as soft as the rain water that falls from the clouds.

Gold Dust takes out the mineral substances that make the water hard and brings out the greatest cleansing value.

The Gold Dust Twins Make the Whole World Brighter

Gold Dust is sold in 5c size and large packages. The large package means greater economy.

"Let the GOLD DUST TWINS do your work"

Past Fifty? You Need "Cascarets"

What Glasses Are to Weak Eyes—Cascarets Are to Weak Bowels.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles. So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be consumed without harm. The only one is Cascarets and they cost cents per box at any drug store while you sleep.

The new and effective remedy for rheumatism, gout, sciatica and neuritis. Formula of Dr. H. H. Tinker, Specialist.

Urogen
—URIC ACID SOLVENT—

A positive antidote for uric acid poison. Price 50c and \$1. Order through your druggist.
